

Retrofit Project – Course Analysis

Course: MED131

Week	Current # of LP Screens	Additional Course Hours Required	Recommended Modifications to the Course to Meet Requirements
1	17 (0.57 hrs)	8.14	20 assessment items included as required. 86 pages of reading included. Supplemental readings could be located. About 12 screens could be added by splitting up content. <u>Current Assignments:</u> 4 workbook pages (2 hours) If there are EOC questions, they would make a good assignment. Additional writing assignments are needed. Add an additional discussion forum.
2	21 (0.70 hrs)	8.56	20 assessment items included as required. 71 pages of reading included. Supplemental readings could be located. About 12 screens could be added by splitting up content. <u>Current Assignments:</u> 6 workbook pages (3 hours) If there are EOC questions, they would make a good assignment. Additional writing assignments are needed. Add an additional discussion forum.
3	18 (0.60 hrs)	12.45	20 assessment items included as required. 44 pages of reading included. Supplemental readings could be located. About 14 screens could be added by splitting up content.

			<p><u>Current Assignments:</u> CD Activity (1 hour) 2 workbook pages (1 hour)</p> <p>If there are EOC questions, they would make a good assignment. Additional writing assignments are needed. Add an additional discussion forum.</p>
4	26 (0.87 hrs)	9.86	<p>20 assessment items included as required.</p> <p>81 pages of reading included. Supplemental readings could be located.</p> <p>About 16 screens could be added by splitting up content.</p> <p><u>Current Assignments:</u> 1 workbook page (.5 hour)</p> <p>If there are EOC questions, they would make a good assignment. Additional writing assignments are needed. Add an additional discussion forum.</p>
5	14 (0.47 hrs)	14.85	<p>20 assessment items included as required.</p> <p>27 pages of reading included. Supplemental readings could be located.</p> <p>About 9 screens could be added by splitting up content.</p> <p><u>Current Assignments:</u> CD Activity (1 hour) 1 workbook page (.5 hour)</p> <p>If there are EOC questions, they would make a good assignment. Additional writing assignments are needed. Add an additional discussion forum. A summary assignment or review project would be a useful assignment here.</p>

WEEK 1

Number of discussion questions per week (2hrs each)	1		120.00	minutes/week	
Number of 20 question quizzes per week (1 hr each)	1		60.00	minutes/week
